

## Guerrero Park Plant List

revised 9/23/09

Log Planters at "Blue/Purple" section, 2009.

BLUE / PURPLE	Agave attenuata	Succulent
	Echeveria elegans	Succulent
	Felicia 'Cape Town Blue'	Perennial
	Festuca ovina glauca (Blue Fescue)	Grass
	✕ Heracleum lanatum (Cow Parsnip)	CA Perennial
	Kalanchoe	Succulent
	Leucodendron argenteum	Shrub
	Limoneum Perezii (Statice)	Perennial
	Penstemon 'Blackbird'	Perennial
	Penstemon 'Peter's Purple'	Perennial
	Podocarpus macrophyllus	Tree
	Polygala dalmaisiana (Snowpea)	Perennial
	Protea 'Susannae'	Shrub
	Protea exima 'Duchess'	Shrub
✕ Salvia apiana 'Ceremonial White'	CA Shrub	
✕ Salvia clevelandii 'Allen Chickering'	CA Shrub	
✕ Sisyrinchium bellum (Blue Eyed Grass)	CA Perennial	
Sedum (various)	Succulent	

RED / ORANGE	Achillea millefolium 'Paprika'	Perennial
	Aeonium (various)	Succulent
	Aloe (various)	Succulent
	Carex testacea 'Prairie Fire'	Perennial
	Coprosma Evening Gold	Shrub
	Gaillardia 'Arizona Sun'	Perennial
	✕ Galvezia speciosa	CA Perennial
	Hebe Kenbostock	Shrub
	Lantana camara 'Radiation'	Shrub
	Leonotis leonurus 'Orange' (Lion Tail)	Perennial
	Leucodendron 'Jester'	Perennial
	Leucodendron lirifolium	Perennial
	Leucodendron 'Safari Sunset'	Perennial
	✕ Mimulus aurantiacus	CA Perennial
	✕ Mimulus puniceus	CA Perennial
	Penstemon 'Raspberry Parfait'	Perennial
	Phormium tenax 'Atropurpurea'	Shrub (Grass)
	✕ Penstemon 'Ray Goodenough'	CA Perennial
	Penstemon 'Wine Red'	Perennial
	Penstemon 'Boom Boom Borstel'	Perennial
✕ Rhamnus californica (coffeeberry)	CA Shrub	
Symphoricarpos racemosus (Snowberry)	Shrub	
✕ Zauschneria californica (CA Fuschia)	CA Shrub	

Guerrero Park is a 'Pavement to Parks' project in San Francisco established in September 2009 and located at the intersection of San Jose Avenue, Guerrero Street and 28th Street in the Inner Mission District. Plant\*SF invites you to take this plant list along on your next visit.

Jane Martin, founding director of Plant\*SF and principal of Shift Design Studio designed the park and provided plant selection and placement services.

With two exceptions (bamboo and apple trees), these plants were sourced from the Recreation and Parks Department's Golden Gate Park Nursery, however nearly all are commercially available through local nurseries. All are climate adapted (drought tolerant), meaning they require very little supplemental watering once established. In home gardens they should not need irrigation.

The plantings are arranged primarily by color. Additional groupings appear in the raised cylinder planters. Bamboo species line the western edge of the park. The three main log planters contain Blue/Purple, Red/Orange and Yellow selections. The island planters contain white flowering plants with fruiting apple trees. Four species of fallen logs were sourced from Golden Gate Park; See on-site signage for further information.

YELLOW	Achillea filipendulina 'Coronation Gold'	Perennial
	Artemisia 'Oriental Limelight'	Perennial
	✕ Artemisia pycnocephala (Hawk Hill)	CA Perennial
	Bidens dequisquamea	Perennial
	Bructeantha (Strawflower)	Perennial
	✕ Carpenteria californica	CA Shrub
	Coleonema	Groundcover
	Helianthemum nummularium 'Yellow'	Perennial
	Lupinus arboreus 'Yellow Bush Lupine'	Perennial
	✕ Mahonia aquifolium (chokecherry)	CA Perennial
Phormium 'Tom Thumb'	Shrub (Grass)	
✕ Sisyrinchium bellum 'Point Reyes'	CA Perennial	

WHITE	✕ Festuca Rubra Molate	CA Grass
	Geranium biokova	Perennial
	Geranium "Mint"	Perennial
	✕ Juncus patens	CA Perennial
	Malus domestica 'Granny Smith' (Apple)	Fruiting Tree
	Malus domestica 'Melrose' (Apple)	Fruiting Tree
	Parahebe	Perennial
Penstemon 'G.Holly's White'	Perennial	

CYLINDERS	Carex testacea 'Prairie Fire'	Perennial
	✕ Cornus (Dogwood)	CA Shrub
	✕ Erigeron Santa Barbara	CA Perennial
	Dodonaea viscosa 'Purpurea'	Small Tree
Lantana montevidensis 'Purple'	Shrub	

BAMBOO	Borinda boliana	Bamboo
	Chusquea culeou 'Chilean Straight'	Bamboo
	Semiarundinaria fastuosa 'Temple Bamboo'	Bamboo

LOGS	Eucalyptus 'Blue Gum'	Tree
	Eucalyptus 'Red Gum'	Tree
	✕ Monterey Cypress	Tree
	✕ Monterey Pine	Tree

✕ = Regionally native species.
